

Dr. Tanya Brown

Menu of Services

CHART NOTE TEMPLATES

This product allows you to go paperless in one easy step. All of the hard work is done for you & this shortens the learning curve from months to days!

PRACTICE ANALYSIS CONSULTATION

The Practice Analysis digs deep to find the hidden potential in your practice. The Practice Analysis is your roadmap to success. This Analysis will also serve as a blueprint for those who do comprehensive coaching with us.

VIRTUAL CONSULTING

This program is designed to focus on a particular area. This is designed to support your practice in your current practice management efforts.

FOCUSED CONSULTING

This program is designed to “kick start” your team’s productivity. This program focuses on mastering skills for practice growth and boosting effectiveness.

ON-SITE WORKSHOPS/TEAM BUILDING RETREATS

This program is designed to enhance communication between team members and patients, as well as create a strong foundation for practice success.

PRACTICE ENHANCEMENT COMPREHENSIVE CONSULTING

This custom-designed program is intended to transform your practice productivity and profitability. Working together with you and your team, we will establish clear communication, leadership, systems, and protocols to enhance your practice and take it to the “next level”.
